Dear ,

I would like to share with you an amazing opportunity God has given me! I have decided to serve God on the mission field again this summer. I will be returning to Costa Rica this June to serve and continue throughout July and August at the Teen Quest Ranch. I have prayed and thought a lot about this and I know God has called me to take a step of faith and make this my number one priority this summer.

Here's why I need to go back. I am in contact with people I met there last summer during our ministry and want to continue those relationships. The need is great in Costa Rica. Drugs are a big problem; it was not uncommon to see people standing on the street, strung out on drugs. Costa Ricans (Ticas as they are called) are very open to the Gospel. We shared Christ through drama in churches and even in a prison. There is so much to continue doing this year. I will be ministering at camp during July and August after returning from Costa Rica. Camp is a wonderful venue to reach students for Christ. We draw them in by offering wonderful activities such as paintball, skateboarding, fishing, boating, riding horses, and all the other activities that you do at camp, but we also bring in some of America's top youth speakers to share Christ with them in a dynamic way. They will hear about God's love and forgiveness. We give them the Answer that revolutionizes their lives. I have been part of the ministry of Teen Quest for several years and God has worked in my personal life. I definitely want to be a serious team player.

Teen Quest is a youth mission founded in 1976 by Rev. Mark and Debbi Witt. They have a burning desire to reaching teens with the gospel, train them in the Word and send them into their world to impact it for Christ.

Teens are very open to the gospel. Considering that 98% of people who come to Christ, do so by age 20 and only 10% of teens in America go to church, this will be an unbelievable ministry for me this summer. I want to make sure I present it to as many as I can and train those who have accepted it to do more.

God has given me this opportunity to minister with Teen Quest, but I do not want to go without the prayers of my family and friends. Your prayers for me will mean a great deal.

Please pray God will:

1. Prepare our team to minister in a way that will encourage people to come to Christ
2. Give me wisdom in my own personal witness
3. Give our team safety
4. Create an eager desire for teens to know Christ
5. Provide for all my needs this summer. My personal expenses will be \$3000.

In addition to my concern that you will praying for me, I would like to ask you to also join me in this exciting venture by giving a gift of support. I am trusting God will use His people to use me.

I am looking forward to seeing how God will work in and through me this summer. Thank you for any way you feel God leads you to help. Together we can team up to serve God this summer

and influence lives of others through Christ. I will be sure to share my experiences and blessings with you.

Because contributions are made to Teen Quest, they are tax-deductible and a receipt will be issued to you. If, for some reason I am unable to fulfill my assignment and contributions are not needed for me, your gift will be applied to the mission team expenses.

Thank you for caring and sharing! God bless you as you join our team to win and train students for Christ!

Your Missionary to teens, NAME
